

# STAMPINGS AND SLIDE FORMS

## More Solutions

HS Spring is committed to being the industry leader in providing the best quality in products and services by developing innovative solutions with the flexibility to meet customer expectations.

If full service is what you want, then HS Spring will provide it.

### Our capacity for excellence

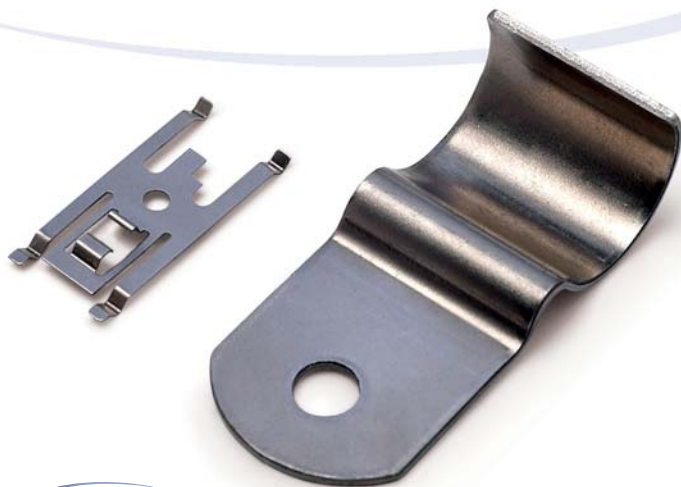

HS Spring metal forming capabilities included:

- Slide forming on #00 to #04 four-slides and vertical-slides
- Progressive die stamping on presses up to 300 tons with bed sizes up to 48" x 120"
- Full in-house tooling capabilities

We have the experience and technical expertise needed to properly manage your project. From quoting, to order processing, to prototyping, to manufacturing, to delivery – service is a top priority for the entire staff.

**Choose innovation and dependability with HS Spring.**
